

# CCSF

The Computer Science department at City College of San Francisco is accepting applications for a full-time tenure-track instructor, to start in Fall 2017.

We prefer to hire someone with a Master's Degree in CS or a related field, but we will also consider applicants without a Master's Degree, that meet the minimum qualifications "For All Application Courses". Details are on the job announcement web page.

We are particularly interested in applicants with experience in one or more of the following areas:

- Linux System Administration
- Database Programming and Administration
- Data Science / Big Data / NoSQL

As well as Java and C++ programming, plus many other skills listed in the job announcement.

Here is the direct link to the announcement:

<http://jobs.ccsf.edu/applicants/Central?quickFind=52927>

Applications are due by February 10, 2017.
