Transfer Students Advising Tips – Please read:

1. Transfer advisor only evaluates major courses

2. To better and more accurately assist transfer students, please bring the following documents (if they are available) when meeting with advisor:
   - Transcripts
   - DAR (Degree Audit Report) and ASE (Advanced Standing Evaluation) report
   - List of all major related courses with course title, semester taken, college taken at, and grades obtained
   - If possible, please bring course descriptions, syllabus, text book title, and any other related course materials.
   Links to online information are okay.

3. Students may be advised to see individual instructors for evaluating upper division CS courses.

4. Students may be advised to see advisors in other departments to evaluate Mathematics, Physics and Biology courses.
