

Environment, Health &
Safety Department

Student Assistant Position Available

Start as soon as May 1, 2018.

\$15/hour

Minimum 12 hours per week. Job will continue in the summer.

- Do you like customer service?
- Are you really good at writing clear emails?
- Are you willing to lift things, move stuff, organize, fetch, and file?
- Are you comfortable working around hazardous materials?
- Can you work independently without direct supervision?
- Do you mind doing data entry?
- Do you like to make sure things are done right?
- Are you interested in learning about OSHA and EPA compliance?

The right person for the job is reliable, detail-oriented, friendly, and flexible. Our Student Assistants represent the EH&S department when dealing with faculty, staff, and students.
